Date: September 3, 2020
To: Audrey Lee, Chief of Staff
From: Angela Gasper, Human Services Director *AG*
Subject: **FY 2021 LIHEAP Model Plan**

Attached to this email is the FY2021 LIHEAP Model Plan and Public Comment Form for the Nation. We are required to obtain Public Input every year in regards to the Model Plan.

Although the Model Plan has already been submitted on time, September 1st, the Public Input still needs to be obtained. Once the Public Comment period has passed I will update the submitted Model Plan with any information obtained from the comment period per Ms. Kate Thomas our LIHEAP Federal Liaison.

I am requesting the attached FY2021 Model Plan and the Public Comment Form be placed on the Nation's website and Official Facebook page as soon as possible.
