

Congratulations, 5 Year Anniversary of Employment With Sac and Fox Casino

Sam Grass, Acting Assistant General Manager making the presentations to (L to R top) Margaret Wood and Lucian Harjo (Bottom) Margaret Kish.

Thank You From Employees of the Year

Thank you so much for recognizing me as Sac and Fox Nation's 2012 Employee of the Year. I consider it an honor and privilege to work for the Sac and Fox Nation. I've thoroughly enjoyed getting to know everyone and helping them with their exercise programs. More importantly, I cherish the friendships I've made since starting here a little over a year ago. The reason I felt led to take the position as Exercise Specialist was because I wanted a chance to serve people and possibly make a difference in their life. Little did I know it would be MY life that would be changed forever by having the opportunity to work with such great people. Thanks again from the bottom of my heart! *Sharlyn Kennon*

A few years back LaDona and I sold our newspaper business in Prague. After the transaction I thought to myself, I've enjoyed the journey, but I don't want pass this way again. After several years, much thought and prayerful consideration here I am back in the saddle again. This past year as editor of the Sac and Fox News has been a rewarding one. I have been extremely impressed by the kindness shown me here at the Nation. The lasting friendships I've made and the wonderful people I've met will last a lifetime. I would like to take this opportunity to sincerely thank each and everyone who gave me the vote of confidence to be selected as employee of the year. I felt the others who were also nominated were as much or more deserving than myself. This was truly one of the greatest honors I have ever been privileged to receive. May God bless each and every one of you. *Sincerely, Ken Johnson*
