## Black Hawk Health Center Pharmacy Renovation

We are proud to announce that the Black Hawk Health Center is renovating its pharmacy to better serve our patients.

The new pharmacy will provide a greater level of care to our patients by improving the efficiency of pharmacy operations and enhanced patient safety features. Upon completion, the newly remodeled pharmacy will be in the same location as it has always been, within the Black Hawk Health Center.

The renovation has already begun and while it is underway, the new home

of the Black Hawk Health Center pharmacy is in the north trailer located on the west side of the Clinic.

We understand that the changes occurring as a result of the renovation may be inconvenient for some, but we appreciate your patience during this transition period. As always, the Black Hawk Health Center staff looks forward to providing a high level of care to our patients and continuously strives to improve our patient's health and quality of life.

## Absentee Shawnee Tribe of Oklahoma Domestic Violence Program

### Mission Statement

The Absentee Shawnee Tribe of Oklahoma's Domestic Violence mission is to eliminate violence in Native Country and to strengthen Native families to end the cycle of violence. Absentee Shawnee Tribe Domestic Violence program serves Native American families and Non-Native families by providing advocacy in the areas of Domestic Violence, Sexual Assault, Stalking, and Dating Violence.

### The Domestic Violence Department provides services to:

Victims of Domestic Violence, Sexual Assault (on call 24 hours per day), Stalking, and/or Dating Violence. We serve Native and non-Native victims as well as their children, as these problems affect everyone in our community. When a victim flees the situation they often leave behind all of their belongings, that's where we step in, offering a hand up to the victim. We offer advocacy for the victim, through the process of court, counseling, housing and utility assistance, referrals as needed (for services ASTDV does not provide), shelter, and transitional housing. We have four transitional houses fully furnished, where victims will be provided the opportunity to get an education and obtain job skills. Emergency transportation can be provided as well. For questions regarding necessary paperwork in order to receive assistance please contact the AST Domestic Violence Office.
