Thank You

The Massey family thanks everyone who helped us in the recent fire. We suffered some losses but are grateful to God for sparing our lives, the lives of our animal family, and for saving the main residences so we still have homes and shelter. Thank you to Randy Tiger and Stacy Juneau for checking on us, which saved us. Without you we couldn't have saved what we did! Thank you to the Cushing police who evacuated us and to the persons who patrolled our houses afterward and put out potential fires. Thank you to Robert Williamson for being there and your assistance at both houses. Thank you to Jeff Ponkilla for all your help - your quick thinking that gave us electricity, for putting out other fires trying to start. Thank you to Vera and Junior Grant for a safe place to go to and clothes. Thank you to Arlan Manatowa for providing a safe haven for us, even the furry ones! Thank you to Melody and Terry Nanaeto for giving our dogs safe shelter. Thank you to Stevie Williamson, Mason Williamson, and Jackie Williams for your supportive words and presence during a frightful time. Thank you to all family members and friends who called to check on us! We also thank the tribal Employee Committee for your monetary donation; the thought alone helps immensely!

Absentee Shawnee Tribe of Oklahoma Domestic Violence Program

Mission Statement

The Absentee Shawnee Tribe of Oklahoma's Domestic Violence mission is to eliminate violence in Native Country and to strengthen Native families to end the cycle of violence. Absentee Shawnee Tribe Domestic Violence program serves Native American families and Non-Native families by providing advocacy in the areas of Domestic Violence, Sexual Assault, Stalking, and Dating Violence.

The Domestic Violence Department provides services to:

Victims of Domestic Violence, Sexual Assault (on call 24 hours per day), Stalking, and/or Dating Violence. We serve Native and non-Native victims as well as their children, as these problems affect everyone in our community. When a victim flees the situation they often leave behind all of their belongings, that's where we step in, offering a hand up to the victim. We offer advocacy for the victim, through the process of court, counseling, housing and utility assistance, referrals as needed (for services ASTDV does not provide), shelter, and transitional housing. We have four transitional houses fully furnished, where victims will be provided the opportunity to get an education and obtain job skills. Emergency transportation can be provided as well. For questions regarding necessary paperwork in order to receive assistance please contact the AST Domestic Violence Office.
