**Thank you**

“Thank you” to all of those who came to the 50<sup>th</sup> annual Sac and Fox powwow and making it an enjoyable, memorable week. A special ‘thank you’ to those who brought wood to my camp– we had very good meals cooked on an open fire! This little pigmy was an unexpected guest...

Thank you,

**INDIAN HEALTH SERVICE  
 WATER AND SEWER  
 ASSISTANCE AVAILABLE**

The Indian Health Service, Office of Environmental Health and Engineering, offers programs to install water and sewer facilities to qualified Indian Homeowners. Funding and construction of sanitation facilities, such as wells, water service lines, septic tanks and drain fields, wastewater lagoons and sewer service lines, are available.

Minimum eligibility requirements include:

- Property must be located within the local Indian Health Service jurisdiction: The greater portion of Oklahoma County; Pottawatomie County north of the North Canadian River; Cleveland County west of the Indian Meridian; Lincoln County; Logan County, and a portion of southern Payne County.
- You must be a member of a federally recognized Indian tribe, band or group;
- If renting, you must obtain a lease agreement (minimum of five years) and a copy of the landowner’s deed/title and CDIB. Property owner must possess a Certified Degree of Indian Blood (CDIB).
- HUD homes must be paid in full before services can be provided.

Documentation of tribal affiliation and home ownership or long-term lease will be required with the application for services. Mobile homes must be tied down, skirted and wheels removed prior to service.

Absentee Shawnee and Citizen Potawatomi Nation tribal members must apply for services through their tribal OEH offices.

Please note that applying for service does not guarantee you will receive service. Service depends on the availability of funding.

Please call (405) 214-4200, or stop by our office at 14106 Highway 177, Shawnee, Oklahoma, for more information.
