

SAUK LANGUAGE DEPARTMENT PHILOSOPHY

Indians are born speaking our languages. For some of us, they lie dormant within our bodies. They are looking for a way out. God gave us these beautiful languages. All of us hold them in a sacred manner within. There is no such thing as an Indian person who cannot speak Indian.

Our language programs find these languages within our bodies. They bring them out through our mouths and deliver them to their rightful resting places within our hearts.

JANUARY 2013 NATIVE AMERICAN QUOTES

"Education, we say, is our buffalo of the year 2003 and beyond. That's how we are to survive as indigenous peoples."
Perry Bellegarde, Federation of Saskatchewan Indian Nations

"Our elders have always dreamed of a time when our story would be told by our own people."
Chief Bob Red Hawk Ruth, Lenape

"The language is going to be gone if we don't do something, and the best people to learn are kids in the developmental stage of kindergarten."
Annette Millard

"Our generation truly has a date with destiny ... We will speak together with one voice, saying that Native languages have a place in Indian Education and Indian Education is incomplete without inclusion of our languages."
Ryan Wilson, NIEA president
