

**SAUK LANGUAGE DEPARTMENT PHILOSOPHY**

*Indians are born speaking our languages. For some of us, they lie dormant within our bodies. They are looking for a way out. God gave us these beautiful languages. All of us hold them in a sacred manner within. There is no such thing as an Indian person who cannot speak Indian.*

*Our language programs find these languages within our bodies. They bring them out through our mouths and deliver them to their rightful resting places within our hearts.*
