find a box near their community by visiting drug disposal boxes in police and sheriff lobbies across the state. Oklahomans can drop off their medication, or safely dispose old, unused prescription drugs from home medicine cabinets. It isn’t already visiting other facilities to use the Prescription Monitoring Program (PMP) Bureau of Narcotics (OBN) urges Oklahomans to get involved in reducing the epidemic of drug abuse. We've got to work together with parents, physicians and community leaders to educate our youth about these dangers and encourage them to stay off this path.

As of May 23rd 2014 there is $20,631.02 remaining in the Tribal Energy Program for the Cooling season. The department can also accept 7 more applicants for the Lawn Care Program.
