IRS Form W-9

It is critical that the IRS Form W-9 be completed correctly and thoroughly for each individual tribal member; not doing so could result in a delay of you receiving your per capita payment. The Office of Enrollment will verify all information including name, current mailing address and social security number. The form must be signed and dated. IRS Form W-9 can be found at <http://www.irs.gov>.

Required Legal Documents

Please ensure the Office of Enrollment has a copy of your social security card. The name and signature on the IRS Form W-9 must match the name on the social security card. If your name has changed due to marriage, divorce, adoption, etc., it is your responsibility to provide any legal documentation (including a social security card which reflects your new name) to the Office of Enrollment.

Minors

Parents or guardians are responsible for providing an IRS Form W-9 for minor children; not doing so could result in the minor's authorized amount of payment being deposited along with the remaining balance into the minor's trust fund account.

Tax Liability Notification

What are the withholding requirements for distributions that are made per a Revenue Allocation Plan (RAP)? The first step is to identify the source of funds used for the distribution. Unless the source of funds is specifically exempt from taxation, the amounts that make up the distributions to tribal members are taxable.

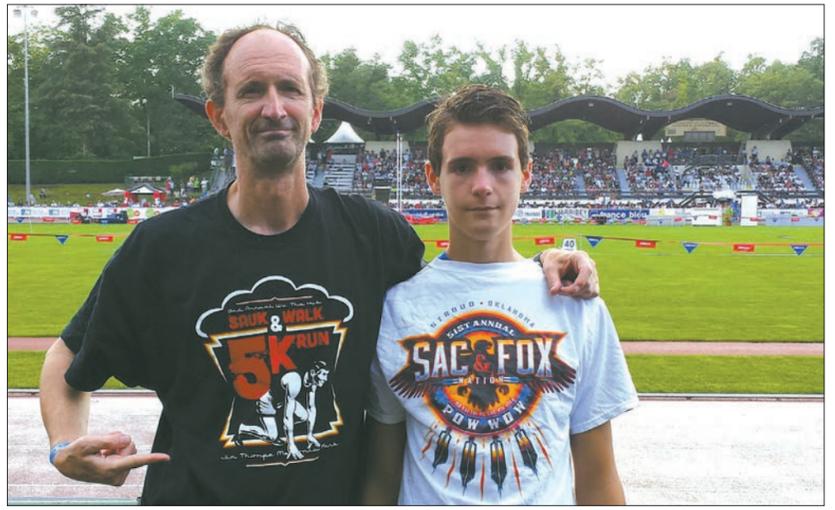

Which funds get reported on Form 1099-Misc? Distributions could be derived from many sources, including the profits from a tribal business other than a Class II or Class III gaming operation, interest income on investments, or rental payments from tribal lands. All these payments require a tribe to prepare a Form 1099-MISC

When does a person receive a Form 1099-Misc, Statement for Recipients of Miscellaneous Income? If a person receives **\$600 or more in 1 calendar year** from the same source, that amount must be reported on a Form 1099, and that Form 1099-Misc. must be provided to the individual.

It is only the amount distributed from NET GAMING REVENUE that is subject to withholding. The Internal Revenue Code provides that "Every person, including an Indian tribe, making a payment to a member of an Indian tribe from the net revenues of any Class II or Class III gaming activity conducted or licensed by such tribe, shall deduct and withhold from such payment a tax in an amount equal to such payment's proportionate share of the annualized tax." The amount to withhold is provided in Withholding Tables found in IRS Publication 15-A, Employer's Supplemental Tax Guide.

If the Indian tribe anticipates making a distribution of any kind, the Indian tribe needs the tribal members' Social Security number before the distribution is made. If an Indian tribe does not know a tribal member's Social Security number at the time of distribution, the distribution is subject to "backup withholding" (at 28% in 2009). Per capita payments could affect any Tribal, Federal, State, and/or Local benefits you may receive or programs in which you participate. The Sac and Fox Nation encourage you to check with your tax accountant or benefit specialist.

SFNP Library Welcomes Visitors From Paris France

By *Kath Platt* Library Director

The Sac and Fox National Public Library had visitors from Paris, France, in early August. In fact, the library was closed at the time of their visit, as we were replacing the carpeting, but we just had to open our doors to travelers who had come from so far away!

Frédéric Gousset, along with his wife, son and daughter, were traveling Route 66 from Chicago to Las Vegas and had to stop at the home of Jim Thorpe.

Frédéric recently wrote a book (Des hommes completes: la formidable histoire du pentathlon et du décathlon à travers les âges) celebrating the great athletes who participate in the pentathlon and decathlon. His book covers 3,000 years of the sports, from ancient heroes to Ashton Eaton, and includes much about Jim Thorpe.

He donated a copy to the library (which, naturally, is in French), and in return, we gave T-shirts to him and his son, Pierre.

He recently sent the Library an e-mail that said: "Hello from the suburb of Bordeaux, a French city at the edge of the Atlantic Ocean, where we attended an international meeting of decathlon, one of the sports where Jim Thorpe shone!"

NOTICE

Why does a W-9 needed to be submitted yearly?

If a tribal member receives income that is taxable, a 1099 must be issued for Tax Purposes. The W-9 also serves as a yearly address update.

Can the allotted minor payment be refused in order to have the entire per capita payment be deposited in trust? Yes, but in order to do so we must still receive a W-9 for the same reasons stated above. We would also need a written statement to that effect to be included with the W-9.

Purpose of Form A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to: 1. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9. Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are: • An individual who is a U.S. citizen or U.S. resident alien, • A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, • An estate (other than a foreign estate), or • A domestic trust (as defined in Regulations section 301.7701-7). Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
