

## SAUK LANGUAGE DEPARTMENT PHILOSOPHY

Indians are born speaking our languages. For some of us, they lie dormant within our bodies. They are looking for a way out. God gave us these beautiful languages. All of us hold them in a sacred manner within. There is no such thing as an Indian person who cannot speak Indian.

Our language programs find these languages within our bodies. They bring them out through our mouths and deliver them to their rightful resting places within our hearts.

### 2015 February Quotes

"...Get an education, graduate and go to college. Then bring what you learned back to us and share it with your community."  
-Teresa Harvey

"Toss a stone into the water and the ripples are felt far away. In the same way, the decisions before us today will be felt in tribal life for seven generations, and beyond."  
-Jefferson Keel, President,  
National Congress of American Indians

"You have the values that come with the language. Never trade off for something that is foreign. Your legacy should be good enough."  
Rhonda Hopkins, Chippewa

"Education is really the long-term solution to other social issues."  
-Dan King, Ojibwe
