### FULL BLOOD SAC AND FOX FOR COMMITTEE MEMBER

*Great Sac and Fox People,*

Your vote allows me the opportunity to say, Thank You!

Your encouragement gives me the strength to fulfill a commitment to continue on the road of hard work. Days have turned into months and then years but it's been worth all that time.

My work experience prepared me to "put out fires", promote customer service, accept crash courses and focus on realistic values.

The liaison roles gave me a chance to be connected to the committees, commissions, boards and the Nation's staff. Their meetings, activities, challenges and hard work go unknown to the general membership. I am thankful to have been involved with my tribe.

I walk with you, I live with you and I keep you in my mind. Life is loaded with policy and procedures for us to follow. Be blessed, I am. We are Sac and Fox! We are Survivors! I dedicate my time to you as COMMITTEE MEMBER!
