

# New Sac and Fox Nation Pool Becoming A Reality

Wallace Pools and Spas, Inc. out of Tulsa, Oklahoma was recently awarded the contract to build a new state-of-the-art swimming pool for the Sac and Fox Nation. The 3,814 sq. ft. will hold approximately 140,000 gallons of water and will be 75 feet long x 54 feet wide. The pool depth range will be from 6” to 8 1/2’ deep. There will be a beach entry at the shallow end. It will have a pebble FINA pool finish, which is far superior to all other plaster finishes. The pool will have two water slides, one diving board, two lifeguard towers, a 5’ high fence around the swimming area and a 4’ section fence to separate kiddie pool area. The fence will include self locking gates. The pool cabana, which is 50’ long x 20’ wide, will have a stucco and stacked stone exterior, snack bar in the center, with men and women’s showers and restrooms on each side. The new facility will be located northwest of the library. Construction is scheduled to begin soon and should be completed mid-summer, weather permitting. Funding for the new pool is from the Fiscal Year 2011, Governing Council approved RAP Budget Resolution SF/GC-11-03.

## An Invitation to Native American Camp at Wewoka Woods Adventist Center.

### Our Program

#### Health

By Each day, the children will learn

- healthy habits to prevent diabetes and other diseases.

#### Spirituality

Committed staff will teach the children

- about the Creator in the context of Native Culture

#### Heritage

- Native Storytellers will help the children learn and appreciate their rich cultural heritage.

#### Fun, Exciting Activities

The children will enjoy horseback riding, Native craft making, swimming, skiing, and much, much more.

Native Ministries of Oklahoma is looking for Native children to come to a Camp that is designed especially for them from June 5 to June 12.

If you're looking for a great summer activity for the Native Children in your community, Native Ministries of Oklahoma is here to help. From June 5 to 12, we will have a special Native American Camp at Wewoka Woods Adventist Center in Wewoka, Oklahoma. All Native children ages 8 to 16 are invited to come free of charge and learn about Health, Spirituality, Heritage, and participate in fun activities.

The purpose of Native Camp is to help Native children have a good time, learn about a healthy lifestyle, and

reconnect to the rich cultural heritage that so many Native children are missing in this increasingly Westernized society.

Native Ministries is happy to provide this service without cost to either the parents of the children or the tribes to which they belong. To qualify, all that is needed is a tribal registration card.

If you would like more information, we invite you to contact the Associate Director of Native Ministries, Jim Landelius. Jim is overseeing our summer camp program.

## Sac and Fox Nation To Build New Basketball Court

A new high school regulation outdoor basketball court will soon be built just east of the existing playground.

The new court will be 84’ long and 50’ wide with a 6’ concrete perimeter around the court with the outer edges sloped.

There will be 2 in ground fixed gooseneck basketball goals and high school regulation painted court lines.

The project is scheduled to be completed by June 15, 2011, weather permitting.

Bleachers could also be a possibility within the next 2 years.

Funding for the new basketball court is from the Fiscal Year 2011, Governing Council approved RAP Budget Resolution SF/GC-11-03. Don Wilson Backhoe Service from Cushing will be doing the construction.

The Indian Country Today Media Network permitted the use of the following articles: "Meskwaki Nation Looks to Wind Power for the Future" by Maria Scandale, February 2011 and "Indian Country to Barack Black Eagle: Deliver Real Tribal Empowerment" by Robert Odawi Porter, April 2011.
