

Self Governance Director #2019-03 (Stroud) Responsible for monitoring SFN's Self-Governance activities regarding policy, legal, or management decision-making to ensure diligent compliance with Federal contract provisions. Analyzes Self-Governance programs, develop recommendations to redesign specific programs and services which may better meet the needs of SFN than the original compact agreement. Assembles appropriate cost data on a continuous basis in order to prepare the proposal(s) for each year's Annual Funding Agreements. Leads or assist in the contract negotiations. Provide technical expertise and support for any and all related proposals or grants being submitted for programs related or applicable to Self-Governance. Must have strong knowledge of Federal regulations, guidelines, and legislation related to Self-Governance. Requires, as a minimum, a Bachelor's Degree in Business or Public Administration, or other related field, plus four (4) to six (6) years of related professional experience, some supervisory experience preferred. An appropriate combination of post-secondary education and professional level experience may be substituted for the above.
